Subject: Question About BrasaLand Franchises

Hello, good afternoon,

I live in Cali and have been a big fan of BrasaLand for years. I wanted to ask whether you offer franchises and what the process would generally look like for someone who is interested.

I do not have a full plan put together yet; I just want to know whether this is something you offer and what would more or less be needed. Any information you can provide would be appreciated.

Best regards,

Andres Salazar
